Papa's Pizza is determined to be the areas favorite family restaurant. We are committed to the belief that our customers, our employees and our families will be the driving force behind our company. The quality and integrity of our product and staff will be the foundation of our commitment.

WHERE IN THE WORLD CAN YOU FIND SEATING FOR 100 PEOPLE?

At Papa's, of course. We take reservations every day of the week, at any time, for almost any size group. Semi-private rooms available, and we can even provide unique menu items for your club meeting, family get-together, business lunch or sport team party. Ask one of our managers about our banquet menu, catering opportunities and group discounts.

WHAT GOES INTO A PAPA'S PIZZA?

All of us at Papa's take great pride in our ingredients. Our dough is made fresh daily, using our own recipes, and we follow strict guidelines to insure consistency and freshness. Our sauces are also made from scratch, using the same spice recipe we have followed for over 39 years. A local supplier provides all of our produce, and we clean and prepare all produce on site. All cheeses used are 100% real cheese. Many of our other ingredients, including pepperoni, pork roll, olives, pineapple and others are purchased in quantity in an attempt to keep prices down--but we never sacrifice quality for price. Before any ingredient is purchased for our pizzas, we conduct a rigid testing process, often testing five or more different samples, with a number of our senior managers involved in the testing process. Only after we have selected our top picks do we look at pricing, and often end up paying higher prices for the quality ingredients we demand.

You can see and taste the effort in every pizza we make. We know that you will come to find Papa's Pizza Parlor to be your favorite place to take family and friends for years to come.

Whenever possible, Papa's makes every effort to use local products, suppliers and manufacturers. We are proud of our communities, and will do all we can to support our fellow local businesses.

Please call in advance for reservations
